## Faculty Advisor Routing Sheet *Student Research Approval Request to IRB*

Name of Project: \_\_\_\_\_

Student Researcher(s): \_\_\_\_\_

Class: \_\_\_\_\_

All student research at ABAC must be supervised by a faculty advisor. In order to ensure that the advisor has reviewed the IRB application materials and agrees to supervise a student's proposed human subject research project, **this routing sheet, along with the application materials, must be submitted by the faculty advisor to Institutional Review Board, ABAC 9.**

By checking the boxes below, the faculty advisor for this project attests the following:

- I have personally reviewed this student's IRB application documents (approval request, exemption request, informed consent documents, child assent documents, survey instruments, etc.) for completeness, and all documents pertaining to the conduct of this study are enclosed (consents, assents, questionnaires, surveys, assessments, etc.)
- I verify that the proposed methodology is appropriate to address the purpose of the research.
- I have completed a CITI training courses in the ethics of human subject research within the past three years as have all researchers named within this application.
- I approve of this research and agree to supervise the student(s) as the study is conducted.
