WEPA

What is WEPA

- WEPA is campus printers and scanner services.

How to Access

- WEPA can be accessed on mobile devices, My ABAC, ABAC computers, and printer kiosk.
    - Mobile- WEPA printer app
    - ABAC computers- print dialogue
    - Print kiosk- Cloud services (Google Docs, OneDrive, Georgia View, and more
    - USB Flash drive- Read / print only.
    - Personal computer- My.ABAC or WEPANow.com
        - can download print drivers or upload files via the website.

Features

- Funds can be added to your account through the mobile app, personal computer, kiosk, and Stallion Shop (purchase payment card). Minimum amount will vary depending on which method you use.
- There are 13 printer kiosk locations on the ABAC campus. Locations can be found via the app, kiosks, or website.
- Prior to printing, there is a preview option to see exactly what will be printed. NO REFUNDS once printed.
- In Carlton Center 2nd floor, there is an option to scan/upload or copy information using the ADF (Auto Document Feed) scanner. Other locations have flatbed scanners.
- Prices vary depending on color, number of slides per page, and double sidedness.
- WEPA is accessible to anyone, even for those who do not have an ABAC account.

Training/Tutorials
